

# Plan Themes & Next Steps

The following are the proposed five main planning themes, or goals, that will serve as the organizing principles of the Sharonville 2030 Comprehensive Plan. During the next few months, City staff and the consultants will be working closely with the Sharonville 2030 Steering Committee to refine the big ideas brought up by the community and they will work to establish them as the action strategies under each of these themes.

## Improve Connectivity

- Sharonville will strive to create safe connections between neighborhoods and key areas such as The Downtown Sharonville Loop and the Sharonville Community Center, etc.
- Sharonville will collaborate with Sharon Woods to develop more pedestrian connections with the community.

## Capitalize on Our Economic Momentum

- Sharonville will continue to take advantage of existing and new economic development tools to attract new businesses while supporting existing businesses.
- Sharonville will continue to market itself as a place for new local businesses, especially restaurants and small-scale shopping.

## Enhance Community Amenities

- Sharonville will seek out more opportunities to host programs, activities, and special events to benefit and engage the community and to increase regional presence.
- Sharonville will work to expand on the facilities and programming of its Parks and Recreation Department.

## Preserve Our Neighborhoods

- Sharonville will continue to actively administer and enforce zoning, maintenance, and other codes for the purposes of protecting the stability of our neighborhoods.
- Sharonville will look for opportunities to expand housing opportunities around downtown and in other strategic areas to provide opportunities for the existing workforce has the ability to live in Sharonville and so residents have options to age in place.

## Re-Defined the Vision for Our Places

Sharonville has several unique places and corridors that are an integral part of the City's identity and vibrancy. The City will work to establish specific visions for the future of:

- The Downtown Sharonville Loop
- Sharon Road Gateway
- Lebanon Road Corridor
- Northern Lights District
